This pretty much takes place all before the book starts. It was a typical reaction when she was concentrating, whether it was over the exact shade of the fringe on a drapery or a decision like this. Although I wanted to savor every word, I couldn't turn the pages fast enough because I was so eager to find out what would happen next. I love New York. This is not Mary Higgins Clark. Financier Parker Bennett spent 13 years carefully building up a fund joined by many middle class, working class, and later on, well off people to 5 billion dollars then runs away with it into a new identity he had prepared at the beginning. Aria: I'll do it. When I got to the happily ever after at the end, I wished I had quit anyway. Her tone was pure fun for me and I always discovered something new on every page. Community Reviews. Pushing back the memory, she opened the door of the Flatiron Building and took the elevator to the fourth floor. Aria tells him that it is water under the bridge. Do not waste your time. Thank you! I was surprised to read other reviews that indicated disappointment with this novel or even the author's last few novels. There is no psychological finesse, no brilliant writing style and for sure no great characters. Good story but by the end I really didn't feel much towards any of the characters so it was a lackluster read for me. From Mary Higgins Clark, America's bestselling Queen of Suspense, comes a chilling story of murder that reaches the heights of suspense while exploring the depths of the criminal mind. Sylvie is claimed to be very smart and clever. About The Author. That being said, this book was a major disappointment. Later that night, at home, Emily receives a collect call from Alison. It's a cozy little mystery, and you could see the ending coming long before it arrived. Other editions. Mary Higgins Clark. There's not much mystery here.
