Every "good" character is rewarded, every "bad" character is shamed and humiliated. I don't see what everyone liked about this book - I was

losing interest fast and after pages decided it's just not for me. Sisterhood of the I wanted to be someone who likes Cathy Lamb. Calling all HuffPost superfans! No trivia or quizzes yet. Jun 08, Stephanie Motyka rated it it was ok. Just 2 years earlier, Stevie weighed over lbs, but the new Stevie has lost lbs. Your best friend. All totally unbelievable! As to the story itself, I liked it. A man who is a hunky, manly man but who can talk to you like your best girlfriend, because that's what he wants to be for you. In the end Stevie is able to stand up to her uncle, comes to terms with her past, and open up to Jake. Stevie is a legal secretary, who works for the awesome Cherie, and the straight-up evil Crystal. I simply must read more by this author. For Stevie that was her grandparents, and in some respects her two cousins Lance and Polly, along with a I'm giving this book 5 stars not just because I "liked" it, but because it seemed so real and the characters spoke to me in a special way. Readers also enjoyed. I bought this book without knowing a single thing about it or the author. Can you understand that? I can relate to many of the issues presented in this book. She ate food to smother the grief she felt over the loss of her baby sister, schizophrenic mother, and loving grandparents all within a short time period. Imagine if everyone in your life was always amazing--or always really, really awful, lacking in any good qualities. Official Sites. The flow felt a little unnatural Want to Read Currently Reading Read. Review coming soon! To view it, click here. She has a friend Eileen, who is jealous of the thin Stevie, and instead of being happy for her friend, tells her she "cheated", losing weight the way she did. View all 4 comments. For Stevie it was an early childhood spent with her schizophrenic mother Helen. Such a Pretty Face taught me many things, but most of all, it taught me more about myself. She also likes to be left alone a lot so she can hear all the odd characters in her head talk to each other and then transfer that oddness to paper. Lamar has learned to play deaf mute when I start saying anything in the proximity of weight. October Streaming Picks. She was a proficient legal assistant during the day, despite her off time unique wardrobe, and a party animal at night when she was not skating with her rough and tumble rollerskating team. We gauge our standing, our desirability, pretty much everything in our lives based on what we weigh and what our jeans size is. Stevie had been adopted by her aunt Janet and uncle Herbert. She ate to lose herself. Pedestrian Stephen Crowe After reading, I noticed the book had a Charleston County Public Library inventory sticker and no "discard" stamp, which was odd for something on a book give-away shelf. Voting Made Easy. It's been a long time since a book has moved me like this one did. Custom Blog Design by Blogger Boutique. Lamb details the schizophrenic behavior and treatment of Stevie's mother in such clarity that its darkness and cruelty made me cry; and yet, the gentleness of Stevie lights the way through the pages along with the wonderfully developed characters of her cousins Polly and Lance who are just as wounded as Stevie as they all struggled to survive a dysfunctional family. They carry risks and life-altering after effects, often with psychological consequences. This was truly a great read and definitely one of the top 3 books I've read this year. By far the biggest challenge in Stevie's new life lies in figuring out how to define her new self. This question contains spoilers... view spoiler [What is Jake's last name? He sipped his lemonade, considering his response. Religion, art, and madness come together in this twisted tale of love and obsession. Lamb's prose is not overly romantic or mushy, and the characters are so unique. The main character had a heart attack at 32 due to obesity. That might sound like too much to process, but the beautiful thing is that "Such a Pretty Face" also has unconditional love, forgiveness, for yourself and others, joy, strength, reconciliation and the courage to overcome. Available at all the usual book stores. They, too, were lovable, as well as being humorous.
